Scholarship Program for Engineering Students

Introduction

Having a career in engineering opens up promising avenues and lets students build a career, which they can benefit from throughout their lifetime. Though a large number of students across the world aim to become expert engineers, they are unable to complete education because of limited financial resources. We, therefore, present the Engineering Scholarship Program to offer students with financial support and let them successfully fulfill their dream career.

About

The Engineering Scholarship program announced by us intends to support students to help them successfully complete their education in any subject of engineering. Students already pursuing or enrolled in an engineering course can apply for this scholarship. It is financial aid to talented and young professionals so that can become leaders in the industry.

Benefits

- This scholarship is presented by us annually and is meant for those who possess in-depth knowledge in the field and desire to become experts in the industry.
- Those awarded the scholarship will get a chance to meet industry experts and further hone their technical skills and talent.
- Students can use the earned money to support different kinds of expenses related to their education.
- It is available only for students who have gained admission to an accredited university or college in the USA, UK, Canada, Australia.

Eligibility Criteria

1. The applicant should have enrolled or planning to enroll for undergraduate or postgraduate engineering course (for, eg. B.E, B.Tech, M.E. M.Tech) with an accredited college/university.
2. The applicant should be at least 18 years of age while applying.
3. The applicant should have completed High School / Secondary School education.
4. The applicant should be a citizen or permanent resident of UK, Australia, USA or Canada.
5. While applying, the applicant should have completed at least one term of college/university engineering course after completing high school or secondary school education.
6. The students having a time gap between graduation and post graduation are not eligible.
7. College dropouts are not eligible.

How To Apply?

To apply for this engineering scholarship program, you need to submit a project relating to your course of study. For example, if you are pursuing your graduation in Mechanical Engineering, you need to submit an innovative idea relating Expandable Transforming Ebike 1 to 3 Seater.

This project can be in the form of a thesis, video, or a project report which is a combination of text and images.

You are supposed to send this project through email on Aimee@ezplumbingrestoration.com before 15th April of every year. The winners will be announced on our website https://www.ezplumbingrestoration.com on 30th April of every year.

Important Notes

Please do not try to contact any other phone numbers or email on any other email id (besides Aimee@ezplumbingrestoration.com) in regards to this scholarship, as that may have a negative impact on your application.

Besides the project report mentioned above, you need to email us the below-mentioned details:

- Name
- Contact Details
- Address
- Name of the College/University
- Name of the Course of Education Currently Enrolled or Planning to Enroll
- Student ID Number

That is all we need from our end. We aim to ensure that the students acquire education in the field of their interest without any financial constraints.

Terms & Conditions

- 🏠 EZ Plumbing Restoration holds the right to verify the details submitted by the students like the student ID, name of the college/university, course of study, etc.
- 🏠 The winners would be chosen by a panel of judges from EZ Plumbing Restoration. The decision by the judges will be final and cannot be challenged.
- 🏠 EZ Plumbing Restoration reserves the right to publish the winners' names and photographs on our website https://www.ezplumbingrestoration.com
- 🏠 EZ Plumbing Restoration can change the rules and regulations of the scholarship program at any time during the
- 🏠 process except the reward amount
  The scholarship amount of $5000 is every year reward.
